## RECORDING OFFICERS REPORT:

The latest ladder has been distributed which includes results from the October 30<sup>th</sup> fixtures.

The fixture books for the season have been distributed to all clubs.

More copies of the books are available from the Recording Officer along with scoresheets if required.

Some problems were encountered when the printing of the books was being arranged with chosen supplier due to the printer being very busy and advised of several weeks delay before the books could be printed. The Recorder contacted Vice President Darryl Maxwell and obtained authorization to arrange printing with SNAP for the price they quoted. As the quoted price was higher than the other supplier the Recorder had to pay the difference in cost with his own funds to have the books printed and is requesting a refund of \$523.00.

Apologies Canning T.C as their advertisement in the book is missing the line which shows the date of the Club's tournament.
